Dear Sir/Madam,

AMENDMENTS TO BURSA MALAYSIA SECURITIES BERHAD MAIN MARKET LISTING REQUIREMENTS RELATING TO ELECTRONIC PAYMENT OF CASH DISTRIBUTIONS

Please note that pursuant to section 9 of the Capital Markets and Services Act 2007, amendments have been made to the Main Market Listing Requirements ("**Main LR**") to facilitate electronic payment of cash distributions ("**eCash Distributions Amendments**").

1. BACKGROUND

- 1.1 Currently, a listed corporation is mandated under the Main LR to pay cash dividends to its shareholders who have provided their bank account details to Bursa Malaysia Depository Sdn Bhd ("**Bursa Depository**") by directly crediting such payments into its shareholders' bank accounts ("**eDividend Services**"). The listed corporation is also required to provide electronic notification to its shareholders once the listed corporation has paid the cash dividends out of its account.
- 1.2 In line with our continuous efforts to promote business efficacy and improve market efficiency, we have amended the Main LR to extend the eDividend Services to other various common types of cash distributions ("**Cash Distributions**") made by listed issuers presently, as prescribed by Bursa Malaysia Securities Berhad ("**the Exchange**").
- 1.3 We believe that the eCash Distributions Amendments will benefit the market by:
- (a) providing faster access to cash distributions and other forms of cash payments;
 - (b) offering greater convenience to investors by eliminating the need to deposit the payment cheques into the securities holders' bank accounts;

- (c) minimising existing problems of physical cheque payment, such as lost or expired cheques, delays in receiving cash distributions or other forms of cash payments and unauthorised deposit of the cheques;
- (d) increasing efficiency arising from a reduction in administrative work for the issuer; and
- (e) providing greater consistency in processing of cash payments in connection with securities listed on the Exchange.

This is important to ensure that the Malaysian capital market continues to be efficient and attractive to investors.

2. KEY AMENDMENTS

2.1 The key features of the eCash Distributions Amendments include the following:

- (a) extending the requirements for eDividend Services, and the requirement to provide electronic notification, to Cash Distributions; and
- (b) defining “**Cash Distributions**” to mean cash payments made by a listed issuer in respect of securities which are listed and quoted for trading on the Exchange, as prescribed by the Exchange, and these include -
 - (i) cash dividends;
 - (ii) payments of interest or profit rates on debt securities or sukuk respectively;
 - (iii) income distributions made by collective investment schemes;
 - (iv) capital repayment; and
 - (v) cash payments in lieu of odd lots arising from distributions in specie.

2.2 For ease of reference, the eCash Distributions Amendments are reflected in the following manner:

- portions underlined are text newly inserted/added/replaced onto the existing rules; and
- portions struck through are text deleted.
